Wedding Flowers by AVON FLORAL WORLD

Where your vision blooms!

Bridal Bouquets

A bridal bouquet is more than a tradition----it's a reflection of the love you're celebrating. It adds a romantic touch and becomes a cherished part of your wedding photos.

Bridesmaid Bouquets

Bridesmaid bouquets complement the bridal bouquet and tie your wedding colors and theme together beautifully. They give your bridal party a cohesive look and create a stunning visual for photos.

Corsages & Boutonnieres

Corsages and boutonnieres are the timeless details that honor the special people in your wedding. From parents and grandparents to groomsmen and ushers, they add a special touch.

Ceremony Decor

Ceremony decor sets the stage for one of the most meaningful moments of your life. From floral arches and aisle arrangements to pew markers and statement pieces, these designs transform your venue into a romantic, personalized space. Ceremony flowers create a stunning backdrop for your vows and enhance your wedding theme.

Reception Decor

Reception flowers transform your venue into a breathtaking celebration of love. From sweetheart table arrangements to cake flowers, from centerpieces to accents, these blooms bring color and charm to every corner.

White

White symbolizes purity, elegance and timeless beauty, making it a classic choice for weddings of all styles. It pairs beautifully with any color palette, adding contrast against rich greenery or deep-toned blooms, adding depth with an air of simplicity and refinement.
